# Cookie Policy

*Effective August 20, 2025*

## 1. **About cookies**

- a. A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser and is stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server.
- b. Cookies may be either "persistent" cookies or "session" cookies: a persistent cookie will be stored by a web browser and will remain valid until its set expiry date, unless deleted by the user before the expiry date; a session cookie, on the other hand, will expire at the end of the user session, when the web browser is closed.
- c. Cookies do not typically contain any information that personally identifies a user, but personal information that we store about you may be linked to the information stored in and obtained from cookies.

### 3. **Cookies used by our service providers**

- a. Our service providers use cookies, and those cookies may be stored on your computer when you visit our website.
- b. We use Google Analytics to analyze the use of our website. Google Analytics gathers information about website use by means of cookies. The information gathered relating to our website is used to create reports about the use of our website. Google's privacy policy is available at: <https://www.google.com/policies/privacy/>.
- c. We publish Google AdSense interest-based advertisements on our website. These are tailored by Google to reflect your interests. To determine your interests, Google will track your behavior on our website and on other websites across the web using cookies. This behavior tracking allows Google to tailor the advertisements that you see on other websites to reflect your interests (but we do not publish interest-based advertisements on our website). You can view, delete or add interest categories associated with your browser by visiting: <https://adssettings.google.com>. You can also opt out of the AdSense partner network cookie using those settings or using the Network Advertising Initiative's multi-cookie opt-out mechanism at: <http://optout.networkadvertising.org>. However, these opt-out mechanisms themselves use cookies, and if you clear the cookies from your browser your opt-out will not be maintained. To ensure that an opt-out is maintained in respect of a particular browser, you may wish to consider using the Google browser plug-ins available at: <https://support.google.com/ads/answer/7395996>.
